### Discussion summary:

Today, we've discusses about check-in 5 and fix our application works better. For this we discuss about how to display the description for clicked project. We've fixed some bugs of our program, too. For check-in 5, all of us are required to add their own name on each method, and add java doc for each method. Also, we've discuss about Deliverable 3's task, and we give each member a task to do.
